HOTEL & RESTAURANT

Privacy Policy

The following privacy policy is designed to help our website visitors understand what information we collect from our site, and how we use this information.

We highly value your trust in choosing White River House Hotel for your online accommodation reservation. Therefore, we will duly and diligently safeguard and protect the privacy and confidentiality of your personal details, including your credit card details.

This privacy policy applies to all of our services, whether accessed or made available online or through any other platform or device (hereafter collectively referred to as the "Website").

By accepting this privacy policy you consent to the processing of your personal data by White River House Hotel for the purposes specified below:

- 1) Making reservations via the Website.
- 2) Evaluating your stay at a location booked through the Website, and placing this evaluation on the Website (only with your consent).
- 3) Informing you about interesting offers (only with your consent).

Collection of Information

White River House Hotel is the sole owner of any information collected on this site.

We will

not sell, share, or rent this to third parties in ways other than is disclosed in this statement. We may collect information throughout various parts of this website.

White River House Hotel collects the following personal data: your name, address, email address, telephone number, credit card details and, to the extent available, reservation preferences. This information is required to process, book and complete your reservation.

Cookies

Cookies are small text files that a site transfers to a user's browser for added functionality or for tracking their website journey. In order to measure the effectiveness of our website, we use cookies to determine the journey that people take on our website, and to identify visitors that have visited the site before. We do not use cookies to gather personal information such as names or e-mail address.

Security

In accordance with European data protection laws, strict security procedures are observed within White River House Hotel to prevent personal data misuse and unauthorised access. In order to protect and safeguard the personal data provided to us, we have implemented and use appropriate business systems and procedures. Furthermore, we have implemented and use security procedures and technical and physical restrictions for accessing and using www.whiteriverhousehotel.com

personal information. Only authorised employees are permitted to access personal information for performing their duties in respect to our services.

Links to External Websites

White River House Hotel has a number of links to external websites, and we are not responsible for the privacy policy or content on any external website. This privacy statement applies only to information collected by this website.

Further Information

If at any time a customer believes that this web site has not adhered to these principles, please notify White River House Hotel by e-mail at info@whiteriverhousehotel.com, and we will use all commercially reasonable efforts to promptly determine and correct the problem.
